Marina,

Please see the attached letter. You will notice that we believe your strike would be illegal and therefore unprotected. However, if you choose to strike anyway the next step is to schedule for the return of our vessels to safe harbor. When asked previously if you would work with AMHS to do so, you responded of course. We are trusting that you will stand by your word. Deputy Commissioner Mary Siroky will be the point of contact for scheduling the return of the vessels. Please contact her upon receipt of this letter to coordinate a plan to bring the vessels in by August 1. She can be reached at (907) 465-3900 or (907) 321-0550.

Sincerely,

Nancy Sutch

Division of Personnel & Labor Relations
